Always and Forever

Always and forever
Each moment with you is just like a
dream to me
That somehow came true
And I know tomorrow
will still be the same
Cause we've got a life of love that won't
ever change.

And every day love me
your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And feel sad tomorrow together
I'll always love you. . . Forever, forever.

There'll always be sunshine
when I look at you
Something I can't explain
Just the things that you do
And if you get lonely phone me
And take a second to give to me the
magic you make.

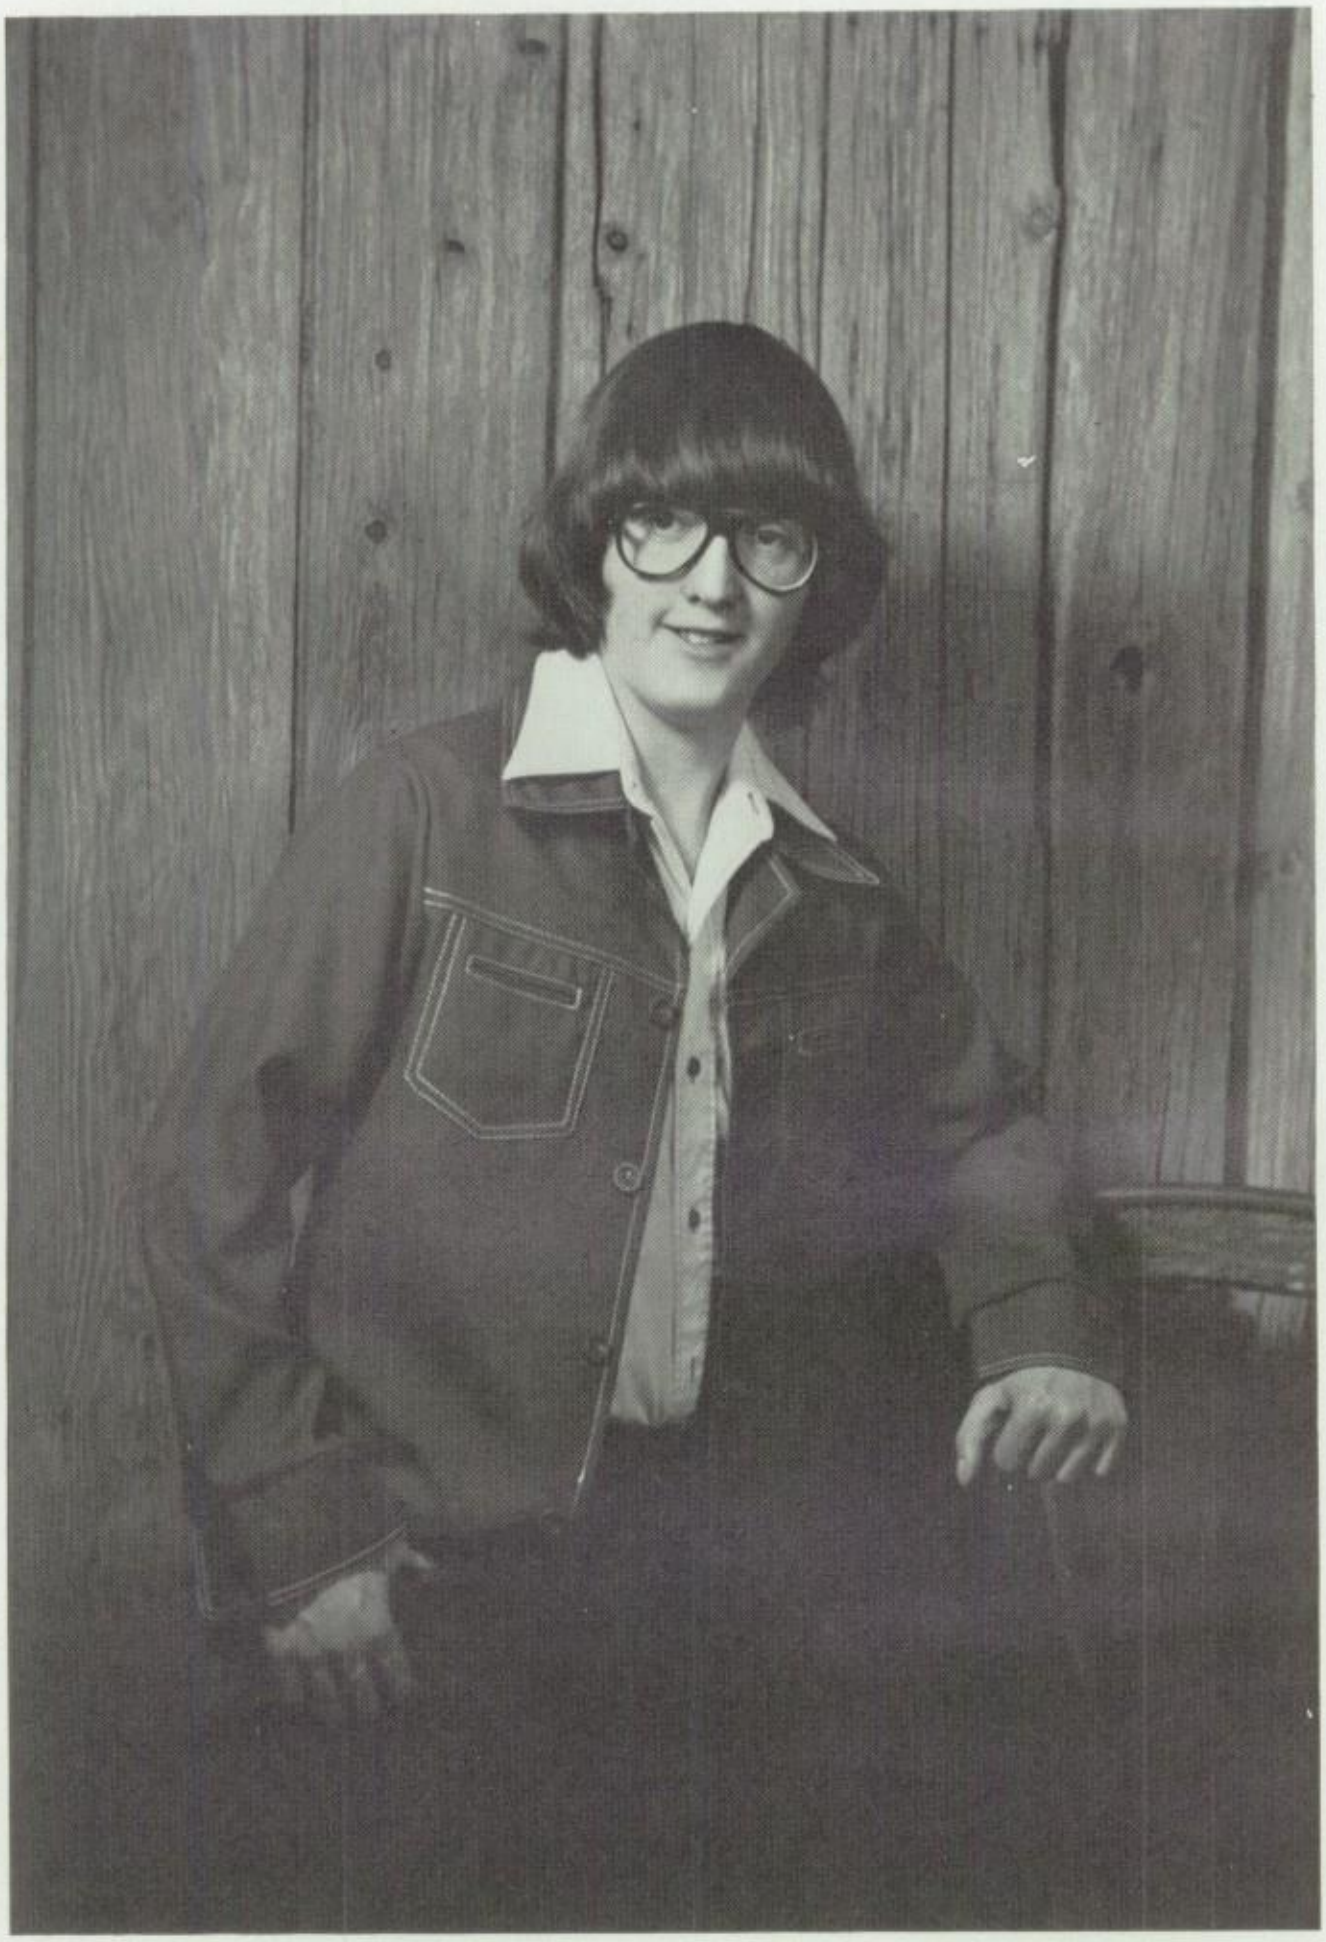
DENNIS MALONE



We, the Seniors of 1981, would like to dedicate this annual to Dennis Malone. He had to overcome a lot to graduate with us. We are glad that he is able to graduate with us this year.
